Improving Access to Quality Medical Care

The practice and delivery of healthcare is changing with an emphasis on improving quality, safety, efficiency, & access to care. Telemedicine can help you achieve these goals! The Arizona Telemedicine Program, Southwest Telehealth Resource Center and Arizona Rural Health Association invite you to a free webinar on the implementation and practice of telemedicine.

Telehealth Webinar
Tuesday, December 15, 2015 ~ 12:00pm MST

“The Future of Natural Medicine”

The objectives for this webinar are to:
- Learn the Naturopathic Physicians’ Scope of Practice.
- Understand Naturopathic Medicine & TeleHealth
- Naturopathic Medicine role in Rural Communities

Dr. Tanisha Hoover, takes great pride in her profession- one that inspires through education, personal growth, and encouraging others to become a better version of themselves. Dr. Hoover was born and raised in Detroit, MI and attended Ferris State University where she completed her bachelor’s degree in Nursing. She also has certifications as a Life Coaching, Holistic Nutrition Specialist, and Iridologist. She received a doctoral degree in Naturopathic Medicine from Southwest College of Naturopathic Medicine, where she focused her studies in women’s medicine, gastroenterology, Biological Medicine based out of Switzerland, and aesthetics & acne. With over 14 years of experience in the medical field she is very diverse in both natural medicine and allopathic medicine. Dr. Hoover will be launching her on-line practice during the 1st quarter of 2016.
