Implementing Pharmacogenomics in an Evolving Healthcare Landscape: A Roadmap for Health Systems

Thursday, Nov. 19, 2015  3-3:50 p.m.  Drachman A118

Samuel G. Johnson  
PharmD, BCPS, FCCP  
Clinical Pharmacist in Applied Pharmacogenomics  
Assistant Professor, Skaggs School of Pharmacy & Pharmaceutical Sciences, University of Colorado

Dennis K. Helling  
PharmD, ScD (Hon)  
FCCP, FAPhA,FASHP  
Clinical Professor, Skaggs School of Pharmacy & Pharmaceutical Sciences, University of Colorado

What are the milestones in national medical and pharmacy policies that foster the implementation of pharmacogenomics (PGx) and precision medicine?

What are the evolving trends in health and healthcare policy that influence the development of new and targeted medicines?

What are the lessons learned from implementing a clinical pharmacogenomics (PGx) service into an integrated health system model?
